Arruda said he spent time with Treasurer Catherine Tilton this afternoon to get an understanding of how the unreserved fund balance figure was arrived at. Tilton also provided her explanation in letter and spreadsheet form. The MS-5 will be a Signature Item later in the meeting.

**CONFIRMATORY SELECTMEN’S DEED** – The Selectmen’s Office has been notified of another Selectmen’s Deed from years ago that wasn’t recorded at the Carroll County Registry of Deeds by the purchaser. There is now an issue with the title of tax map 109, lot 160. **LETTER TO THE EDITOR** – Arruda read an excerpt from a Conway Daily Sun Letter to the Editor printed last week that spoke of environmental concerns in Settlers Green and around bridges in Madison. Arruda said the letter accused Settlers Green of spraying weed killers around their property and alluded to chemicals being applied near bridges in Madison. Last week Arruda asked Arias to provide a copy of the letter to the Road Agent to ensure the Highway Department hadn't taken any such action. Arruda received a response back that the Highway Department doesn't apply weed killing chemicals along roads or near bridges. Arias added that the author called Town Hall last week to inquire about our practices and when asked stated the two bridges referenced were on Route 113; one by Kennett Park and one by AJ Coleman (which she didn't know was Albany). Arias said she told the author to call the NH Department of Transportation in Chocorua and Gilford, NH because the two bridges are along State maintained roads.

**QUOTE FOR CONCRETE PAD AT TRANSFER STATION** – Arias said the Transfer Station Attendant provided a \$1,600 quote to install a concrete pad under the aluminum can container to make picking up and dropping off the container easier. The quote doesn't include excavation or preparatory work that will have to be done by the Highway Department. The Selectmen decided to move forward with having the pad placed to limit property damages.

**STORAGE TRAILER** – Arruda said there is a Purchase Requisition for \$3,185 to buy an 8' x 40' water-tight modular storage trailer which includes delivery. Arruda said the Town can't build a storage shed for that amount. Arruda said the Road Agent has offered to cover the cost out of his budget in order to free up space within the Madison Garage building. Arruda said the unit could be placed behind the Madison Garage and the antique fire truck moved inside up on blocks.

**NEXT MEETING FALLS ON ELECTION DAY** – Arias said the next Selectmen's Meeting on September 9, 2014 falls on Election Day. The Board decided to hold an abbreviated meeting at the Elementary School at 5:30 p.m. for signature items only.
