

Good Morning,
 Attached is Monday's schedule. New content for this week is:
 Madison Calendar
 Selectmen & Budget Meeting

You may have notice extreme noise during some recent meetings. The town hall heating system has been having some problems and is transmitting a lot of noise to our recorder. We are trying to clean up the sound on a couple of meetings to make them presentable for broadcast. The heating system is scheduled for some maintenance this week so that may also help. Madison TV will invest in some new equipment to help try to eliminate the noise that our equipment is capturing.
