

Consent to Release

Parents and Guardians,

Please sign this form below to provide permission for your child to be released from Madison Elementary School on Mondays and Wednesdays starting September 12th thru October 19th for soccer practice with the Madison Recreation Department. Director Susan Hirtle will be signing out your children at 3:20pm and walking with them to Burke Field to participate in soccer practice.

It is your responsibility to contact Holly or the other office staff at Madison Elementary and let them know if your child is not going to participate in soccer on a specific day. If you do not notify the staff your child(ren) will be released for soccer practice, and you will have to pick them up at Burke Field.

By signing below, I understand what this form is authorizing and allow MES staff to release my child/children to Susan Hirtle on Mondays and Wednesdays until October 19th.

Child/Children Name(s):

Parent/Guardian Signature
