Mrs. King inquired about Variances that have not been acted upon within 2 years under 674.33.I-a, if they are still valid. This question was brought about from the Building Inspector regarding a submitted building permit. Do the variances go with the land or expire after 2 years if no action has been taken? Mr. Lucy stated that the Town would have needed to adopt the 2-year expiration for all variance, if not acted upon. He asked Mrs. King to contact the ZBA Attorney for guidance on this issue.

Mr. Lord acknowledge the Approved Minutes that need to be posted on the website, with the correct dates and there should be a designation of 'no meeting' so people won't be looking for the minutes.
