**USAGE:** The Madison Transfer Station is for the use of Madison residents, taxpayers or contractors doing business in the town. Proper permits are required.

<https://www.madison-nh.org/departments/transfer-station/>

**PERMIT STICKER REQUIRED:** Any vehicle used for transporting waste material shall have a current permit sticker affixed to the driver's side lower windshield. Stickers display the vehicle license plate number as a means of enforcement.

Stickers may be obtained at the Town Hall Reception area or by forwarding the necessary information and a self-addressed stamped envelope to the Selectmen's Office, PO Box 248, Madison, NH 03849. Proof of residency, property ownership, or lease is required. <https://www.madison-nh.org/departments/transfer-station/>

**STICKER COST:** Residents, taxpayers, and long-term lessees of 1 year or more receive a sticker for vehicles registered in their name. There is a five-dollar fee for the replacement of a sticker that has previously been issued.

**NON-RESIDENT:** In the event that a resident or renter does not have the proper permit they will be permitted to deposit only household trash, no demo, appliances, electronics, large items or brush, for \$5 per bag with no charge for disposal of properly sorted recyclables.

**RECYCLING:** Madison supports recycling to promote environmental sustainability. And, recycling reduces taxes by avoiding sending material to the landfill in the case of metal, paper, glass, textiles and other items.

**HELPFUL INFO:**

See the Madison website for all other information about town departments: <https://www.madison-nh.org/departments/transfer-station/>

- **PLEASE** remove caps from all plastic containers especially milk jugs, 2-liter soda bottles etc. It will save a lot of money in hauling fees as we can get more in each load. Crushing the containers would also help.
- Please do not put plastic bags in any of the recycling areas. Use the trash cans provided near the recycle containers.
- CFL bulbs and rechargeable batteries may be recycled at Lowe's or Home Depot for no fee.
- Computer equipment (tower/CPU, monitor, printer, hard drives, etc.) can be recycled at Staples for no fee.
- Please flatten all corrugated cardboard.
- The Transfer Station attendants will determine any issues not covered in this brochure.
- **Please see the Transfer Station attendants for any questions.**
