

## Summary of work performed by the Madison Department of Public Works between the dates of: **April 27<sup>th</sup> to May 10<sup>th</sup>**

### **Sunday, April 27<sup>th</sup>:**

**Monday, April 28<sup>th</sup>:** Swapped MSW can out at transfer station first thing and then made one trip to Mount Carberry with container of Municipal Solid Waste. Took sander screens out of truck 9 and truck 12 and put cover plates back in bodies. Took sander out of truck 14. Repaired chain on Veterans Memorial. Cleaned the Head of the Lake.

**Tuesday, April 29<sup>th</sup>:** Hauled two loads of bulky waste to Mount Carberry. Used the back pack blowers to blow sand off of the Town Hall upper and lower parking lots. Put in dock at boat launch. Hauled material out of Transfer Station in preparation for concrete pads. Used excavator at Transfer Station loading out trucks at Transfer Station. Sandblasted plow on truck 12.

**Wednesday, April 30<sup>th</sup>:** Hauled two loads of municipal solid waste to Mount Carberry. Finished sandblasting truck 12 plow. Hauled more fill out of Transfer Station and use excavator to load trucks. Brought truck 10 to Allegiant Truck in Barrington. Truck 10 won't come out of four-wheel drive and won't complete regeneration cycle in emissions.

**Thursday, May 1<sup>st</sup>:** Worked at Transfer Station hauling out material and preparing pad for aluminum can container. Moved plows around and took plow and plow frame off of truck 9 and put away for summer.

**Friday, May 2<sup>nd</sup>:** Returned sandblaster to Colemans and primed plow. Cleaned lower garage.

### **Saturday, May 3<sup>rd</sup>:**

### **Sunday, May 4<sup>th</sup>:**

**Monday, May 5<sup>th</sup>:** Repaired mailbox on Jones Hill Road. Mowed lower ballfield. Two trips to Mount Carberry, one municipal solid waste and one bulky waste. Flushed out Magic Minus Zero tank on truck 9. Checked all culverts on Forest Pines Road in preparation for repaving. Pushed over sand pile. Put the last of the boards in the dam at Silver Lake.

**Tuesday, May 6<sup>th</sup>:** Worked on old furnace blower. Installed caster wheels, rewired motor and wired-up pigtail for use to ventilate lower garage. One trip to Mount Carberry with bulky waste and one trip to Harding Metals in Northwood with light iron. Fixed pad at transfer station in preparation for concrete. Put sideboards and new tarp and greased truck 9. Painted plow for truck 12. Put new tarp on truck 14.

**Wednesday, May 7<sup>th</sup>:** Waxed truck 9. Serviced truck 2 and truck 9. Went to Orwell Vt. To pick up flat bed for truck 11. Put another coat of paint on plow for truck 12.

**Thursday, May 8<sup>th</sup>:** Went to Frechette Tire to pick up tire for Volvo excavator and brought it to Transfer Station and installed it. Pulled beaver screen on Lead Mine Road. Worked in lower garage and put side boards on truck 12. Reinstalled beaver screen at end of day. Mowed baseball field.

**Friday, May 9<sup>th</sup>:** Began replacing bristles on broom on 920 loader.

**Saturday, May 10<sup>th</sup>:** Called out for two trees down. One on North Division and one on Colby Hill Road.

Respectfully Submitted,

Josh L. Shackford
