

## Summary of work performed by the Madison Department of Public Works between the dates of: **August 3<sup>rd</sup> to August 16<sup>th</sup>**

### **Sunday, August 3<sup>rd</sup>:**

**Monday, August 4<sup>th</sup>:** Fixed broken hydraulic hose on EWR150 excavator. Cleaned and raked the beaches. Replaced cracked fuel tank on the gravely lawn mower. Mowed and trimmed around upper baseball field. Continued screening winter sand with 920 loader. 2 trips to Mt. Carberry- 1 MSW & 1 Bulky waste. iWorq entries.

**Tuesday, August 5<sup>th</sup>:** Fixed washouts along the edge of the pavement with EWR150 and Truck 14 with ¾" gravel on Ossipee Lake Road and High St. Hauled unscreened loam from around sand pile to a different location to allow the continuance of screening winter sand. Continued screening winter sand with 920. Mowed grass at the Historical Society, Head of the Lake, Kennett Park and around the Town Hall. 2 trips to Mt. Carberry- 1 MSW & 1 Bulky waste. iWorq entries.

**Wednesday, August 6<sup>th</sup>:** Took EWR150 and truck 14 to fix minor washouts of the new shoulder gravel on Town Line Rd, installing 3" stone from Colemans in the heavy waterflow areas. Repaired broken swim line at the foot of the Lake beach. Stripped off loam and excavated more sand to be screened for winter sand. Prepared grader for touch a truck. 1 Trip to Northwood with aluminum cans.

**Thursday, August 7<sup>th</sup>:** Continued stripping loam with the excavator and digging out more sand for the loader to screen. Cleaned and organized upper garage. Cleaned Truck 1 and Truck 2.

### **Friday, August 8<sup>th</sup>:**

### **Saturday, August 9<sup>th</sup>:**

**Sunday, August 10<sup>th</sup>:** Call in to Transfer Station to bring demo container up and to swap the plastic and cardboard container.

**Monday, August 11<sup>th</sup>:** Picked up Old Home Week trash that was put next to the dumpster that the bear and crows had scattered across the yard. Added another piece of fire hose to the gate at the dam to help seal water from going downstream. Repaired swim line and cleaned/raked the beaches.

**Tuesday, August 12<sup>th</sup>:** Completed the ditching portion on Pound Road with EWR150, truck 14 and truck 9 hauling away ditch material. Started brush cutting in the drainage swale on Nichol's beach. Finished screening our winter sand. 2 Trips to Mt. Carberry both MSW.

**Wednesday, August 13<sup>th</sup>:** Continued working on Pound Road installing 3" stone in the ditch lines with EWR150, truck 9 and truck 14 hauling stone from the garage stockpile. Cleaned beaches and dragged sinking swim raft at the Head of the Lake beach up onto shore. Picked up replacement fender at United Ag and Turf for John Deere 3033R. Worked on cleaning the screen of rocks and debris to be moved to start screening loam. 2 Trips to Mt. Carberry both bulky waste.

**Thursday, August 14<sup>th</sup>:** Picked up swim raft from the Head of the Lake with the loader and loaded it into truck 3 to be brought back to the garage. Started screening loam. Continued installing 3" stone in the ditch lines on pound road with EWR150 and truck 14. 1 Trip to Northwood with scrap metal and iWorq entries.

**Friday, August 15<sup>th</sup>:**

**Saturday, August 16<sup>th</sup>:**

Respectfully Submitted,

Josh L. Shackford
