

## Summary of work performed by the Madison Department of Public Works between the dates of:           **October 26<sup>th</sup> to November 8<sup>th</sup>**

### **Sunday, October 26<sup>th</sup>:**

**Monday, October 27<sup>th</sup>:** Took truck 10 to Allegiance Truck Repair in Barrington New Hampshire for a recall. Graded and added gravel to parking lot at the Foot of the Lake Beach. Blew leaves off of Lead Mine Road from East Shore Drive to Black Brook Road then graded. We raked it and picked numerous rocks. Measured all roads in Carved in Bark development, Cross Road and Ossipee Lake Road for future paving reference. Hauled one load of municipal solid waste and one load of bulky waste to Mount Carberry. Worked on truck 11 support frame for sander in lower garage. Blew leaves and completed fall clean up at Lyman Cemetery.

**Tuesday, October 28<sup>th</sup>:** Blew leaves from roads to be graded with John Deere tractor. Graded Tasker Hill Road, Boat Ramp Road and Pond Wood Road. Raked roads after grading them and then picked rocks. Attached tie-downs to truck 11 for securing sander. Set-up leaf vacuum on truck 3. Sucked up leaves at Lyman Cemetery. Worked on truck 11 sander install and tie downs. One load of bulky waste was hauled to Mount Carberry. Detailed truck 2.

**Wednesday, October 29<sup>th</sup>:** Took truck 2 to ATG in Lancaster for a new oil pan which was under warranty. Blew leaves off roads to be graded with John Deere tractor. Graded Eidelweiss Drive, Town Line Road and Island drive with 140 grader. Was unable to grade Brenner Drive while there because of the amount of construction vehicles in road. After grading these roads, they were raked with truck 10 and the rocks were picked out of the road. Put the plow frames on truck 9 and truck 14. Blew leaves and picked them up at Lyman Cemetery. Worked on lights for truck 11.
