MADISON TV MISSION STATEMENT

MAD TV in Madison, NH will be a staffed, not-for profit organization formed to facilitate, encourage and promote community involvement in the production of locally originating television, and to ensure the contractual and regulatory commitments to **public, educational and governmental (PEG)** access of the cable communications systems provider for the Town of Madison.

MAD TV's mission comprises the following:

- Providing necessary information to persons or groups in the towns served so that they may effectively use the community (public, educational and governmental) access channel on cable television system serving the town.
- Making available instructions in the use of video and other electronic equipment so that the people of the town can produce television programs and cablecast them, according to the rules and at the discretion of the director of MAD TV.
- MAD TV will air videos made or submitted by any local resident that is not libelous, offensive, obscene or damaging and does not use copyrighted material illegally. This allows the town's people to put forth their perspective, beliefs, ideas, talents, or comedy (If what is seen annoys or disturbs you, don't get angry; get producing and counter with your own response.)
- Providing a structure in which people can learn, create and develop ways to use community (PEG) access television channels and audio-visual equipment.
- Coordinating and scheduling the use of all audio-visual equipment owned by MAD TV for its use in television production and program transmission on the community (PEG) access television channel in the town.
- Maintaining records concerning past programming including the archiving of programming and other documentation and making such records available to interested persons or groups for civic purposes.
